

ROCHELLE LOGISTIC CENTER

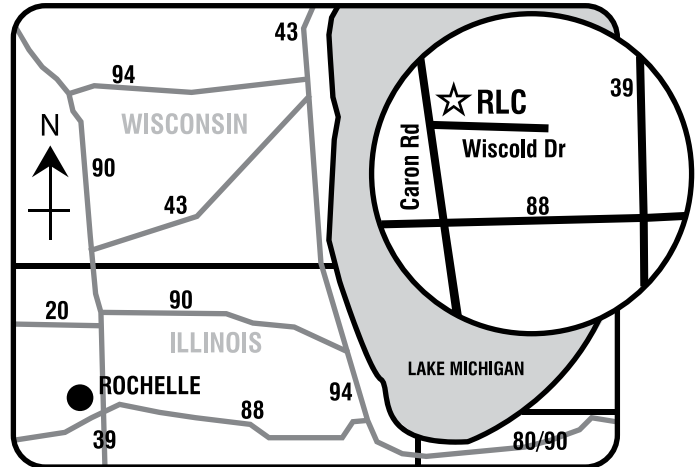

Rochelle, Illinois

State-of-the-art refrigerated/frozen facilities strategically located just west of Chicago, where two rail lines, US-39 and I-88 intersect. Extensive transloading capabilities and bonded inspection rooms make Rochelle the choice for potatoes, meats and poultry. You can reduce your transportation costs and support Efficient Consumer Response (ECR) and Efficient Foodservice Response (EFR) initiatives by consolidating in the successful Rochelle pool distribution program.

Location: Just north of I-88 in Rochelle, Illinois

Features: More than 13 million cu. ft. of fully racked, multi-temperature storage, from -15°F to 50°F, is strategically located just west of Chicago on I-88.
